

## Camp Stevens Retreat Center Programs

Each group receives **1 ½ hours of staff-led activities** per contracted building. The items listed below can take anywhere from 45 minutes to a full hour and a half depending on your group size and involvement, and can be mixed and matched to reach your 1 ½ hours per contracted building. Beyond the first 1 ½ hours per contracted building, we charge \$17.50 per staff person per hour.

Please let us know what programs you would like our staff to lead at least 1 week in advance. Staff led activities include, but are certainly not limited to:

- A chance to test your skills at our **Archery Range** (ages 8 and up)
- A **staff-led hike** among our 260 acres of mixed pine and oak forest (varying degrees of difficulty)
- **Arts & Crafts Projects** for all ages, seasons, and occasions (materials included)
- A night of music, singing, and s'mores with our staff around one of our campfires for a **Community Gathering**
- Games, crafts, and exploration with **children aged 2+** (no adults required)
- Help **cook or bake** some food for one of our upcoming meals and learn a bit more about our food philosophy
- Grab your jackets and head outside for a night of **stargazing** (weather dependent)
- **Anything else** you can come up with!

Some things we are happy to provide free of charge are:

- A 45 minute exploration of the diversity and beauty in and around our **organic gardens**, upon request
- An **outdoor campfire with s'mores** built and provided for your group, upon request
- A homemade Camp Stevens **Eucharist loaf** and **chalices** for your Eucharist, upon request
- A chance to visit our laying hens and feed our pigs (our pigs are typically around during the fall). These activities will be announced during meal times by the host. No sign-ups are required

We also have our **Climbing Wall, Ropes Course, and Teambuilding** programs available for separate costs. Please let us know if you would like to know more about these programs.

All guests are welcome to wander through our gardens, on our marked trails, and play with the sports equipment in the green box behind the basketball court. We also welcome you to use our Chapel as a quiet space meditation, relaxation, or celebration.

Our pool is typically available between mid-May and mid-October, weather permitting. If you would like to use the pool, you can either choose to hire a trained staff member on duty as a **lifeguard** (part of staff-led activities) or sign a pool waiver to release us of any liability. Please let us know in advance of your retreat if you would like to use the pool so that we can make sure it is ready for your use.
