PROCEDURES

BUS COUNSELORS: Camp Stevens provides a bus counselor for supervision and to take charge in an emergency. As campers arrive, the driver and bus counselor will each check-in campers. They will wait an additional 5 minutes for late arrivals. The San Diego-area van is driven by a Camp Stevens staff person. The bus counselor/van driver is responsible for the safety and well-being of the campers. It is imperative that campers listen to the bus counselor/van driver for safety procedures and guidelines. These include wearing seatbelts when provided, obeying the instructions of the counselor/driver, keeping the noise down to a reasonable level and knowing what the procedures will be at the next stop.

MEDICATION: Medication should be packed so it is accessible to give to the nurse upon arrival at Camp Stevens.

CAMPERS WILL NOT EXIT THE BUS ENROUTE: To minimize the risk of a camper getting lost, campers will not be allowed to leave the bus except in case of an emergency. *Parents should provide a lunch for their children if they are on the bus during the lunch hour.* On the return trip there is no lunch stop. A snack will be provided after the Corona stop.

CAMPER RELEASE: On the return trip, campers will only be released to their parents or responsible guardian.

LATE PICK-UP: If you think you will be late, please call the emergency contact below. If a family does not arrive on time, the camper will remain with the counselor/driver on the bus. Five minutes after the designated drop-off time, the bus will leave **with the camper aboard**. The family will be notified and instructed to go to the next stop to pick up their camper. No camper will be left unattended. The last stop is Burbank: The bus will remain there until a parent arrives or other arrangements are made. Please include your cell phone number in your registration information to facilitate contact.

Arriving early to drop-off or pick-up your camper means that the bus can be on-time to all stops.
