ONE TIN SOLDIER

C G Am Em  
Listen children to a story that was written long ago  
F C Dm G  
'Bout a kingdom on a mountain and the valley folk below  
C G Am Em  
On the mountain was a treasure buried deep beneath a stone  
F C Dm G C  
And the valley people swore they'd have it for their very own

C Em F C  
CHORUS: Go ahead and hate your neighbor, go ahead and cheat a friend  
C Em F C  
Do it in the name of heaven, you can justify it in the end  
C Em F C  
There won't be any trumpets blowing come the Judgement Day  
C Dm C  
On the bloody morning after...One tin soldier rides away

So the people of the valley sent a message up the hill  
Asking for the buried treasure, tons of gold for which they'd kill  
Came an answer from the kingdom, with our brothers we will share  
All the secrets of our mountain all the riches buried there CHORUS

Now the valley cried with anger, mount your horses, draw your swords  
And they killed the mountain people, so they won their just reward  
Now they stood beside the treasure, on the mountain dark and red  
F C Dm C  
Turned the stone and looked beneath it, Peace on Earth...was all it said  
CHORUS

MICHAEL, ROW THE BOAT ASHORE

C F C  
CHORUS: Michael row the boat ashore, hallelu..jah  
Em F C G7 C  
Michael row the boat ashore, hallelu...jah

Brother/Sister/Sibling help to trim the sail, hallelujah  
Brother/Sister/Sibling help to trim the sail, hallelujah CHORUS

Neighbor lend a helping hand, hallelujah  
Neighbor lend a helping hand, hallelujah CHORUS

The River Jordan is chilly and cold, hallelujah  
Chills the body but not the soul, hallelujah CHORUS

The river is deep and the river is wide, hallelujah  
Milk and honey on the other side, hallelujah CHORUS

A LITTLE HELP FROM MY FRIENDS

D Em  
What would you think if I sang out a tune

A D  
Would you stand up and walk out on me?

D Em  
Lend me your ears and I'll sing you a song

A D  
And I'll try not to sing out of key, oh

CHORUS: C G D  
I get by with a little help from my friends  
Oh, I get by with a little help from my friends  
I'm gonna try with a little help from my friends

What do I do when my love is away?  
Does it worry you to be alone?  
How do I feel at the end of the day?  
Are you sad because you're on your own? No! ... CHORUS

Bm Em D C G  
Do you need anybody? I need somebody to love  
Bm Em D C G  
Could it be anybody? I want somebody to love

Do you believe in a love at first sight?  
Yes I'm certain, that it happens all the the time  
What do you see when you turn off the light?  
I can't tell but I know that it's mine, Oh, ... CHORUS

Do you need anybody? I just need someone to love  
Could it be anybody? I want somebody to love, Oh, ... CHORUS

HOME ON THE RANGE

D G  
Oh, give me a home where the buffalo roam  
D A7  
Where the deer and the antelope play  
D G  
Where seldom is heard a discouraging word  
D A7 D  
And the skies are not cloudy all day

D A7 D  
CHORUS: Home, home on the range  
Bm E A7  
Where the deer and the antelope play  
D G  
Where seldom is heard a discouraging word  
D A7 D  
And the skies are not cloudy all day

How often at night when the heavens are bright  
With the light of the glittering stars  
Have I stood there amazed and I asked as I gazed  
Does their glory exceed that of ours? CHORUS

Oh, I love these wild flow'rs in this dear land of ours  
And the breezes so balmy and light  
That I would not exchange my home on the range  
For all of the cities so bright CHORUS

KUMBAYA

Kumbaya my Lord, kumbaya  
C Em F G  
Kumbaya my Lord, kumbaya

PUFF, THE MAGIC DRAGON

G D C G  
Puff the magic dragon lived by the sea  
C G Em Am D7  
And frolicked in the autumn mist in a land call Ho-nah-lee  
G D C G  
Little Jackie Paper loved that rascal Puff  
C G Em C D G D  
And brought him strings and sealing wax and other fancy stuff. Oh,...

G D C G  
CHORUS: Puff the magic dragon lived by the sea  
C G Em Am D  
And frolicked in the autumn mist in a land called Ho-nah-lee  
G D C G  
Puff the magic dragon lived by the sea  
C G Em C D G  
And frolicked in the autumn mist in a land called Ho-nah-lee

Together they would travel on a boat with billowed sail  
Jackie kept a lookout perched on Puff's gigantic tail  
Noble kings and princes would bow whene'er they came  
Pirate ships would lower their flags when Puff roared out his name. Oh,...  
CHORUS

A dragon lives forever but not so little boys  
Painted wings and giant rings make way for other toys  
One gray night it happened, Jackie Paper came no more  
And Puff that mighty dragon, he ceased his fearless roar. Oh,...CHORUS

His head was bent in sorrow, green scales fell like rain  
Puff no longer went to play along the cherry lane  
Without his lifelong friend Puff could not be brave  
So Puff that mighty dragon sadly slipped into his cave. Oh,...CHORUS

YESTERDAY

C E E7 Am G F  
Yesterday, all my troubles seemed so far away  
G7 C  
Now it looks as though they're here to stay  
G Am D F C  
Oh I believe in yesterday

Suddenly, I'm not half the man I used to be  
There's a shadow hanging over me  
Oh yesterday came suddenly

E E7 Am G7 C  
Why she had to go I don't know, she wouldn't say  
E E7 Am G7 C  
I said something wrong, now I long for yesterday

Yesterday, love was such an easy game to play  
Now I need a place to hide away  
Oh I believe in yesterday

TODAY

CHORUS: D Bm G A  
Today while the blossoms still cling to the vine  
D Bm G A  
I'll taste your strawberries, I'll drink your sweet wine  
D D7 G A  
A million tomorrows shall all pass away  
D Bm Em A D Bm G A  
Ere I forget all the joy that is mine today

D Bm G A  
I'll be a dandy and I'll be a rover  
D Bm G A  
You'll know who I am by the song that I sing  
D Bm G A  
I'll feast at your table, I'll sleep in your clover  
G A D  
Who cares what tomorrow may bring CHORUS

I can't be contented with yesterday's glory  
I can't live on promises winter to spring  
For this is my moment, and now is my story  
I'll laugh and I'll cry and I'll sing CHORUS

Em C D G  
I wanna live, I wanna give

I've been a miner for a heart of gold.  
Em C D G  
It's these expressions I never give  
Em G  
That keep me searchin for a heart of gold  
C G  
And I'm gettin old.  
Em G  
That keep me searchin for a heart of gold  
C G  
And I'm gettin old.

I've been to Hollywood I've been to Redwood  
I crossed the ocean for a heart of gold

That keeps me searching for a Heart of Gold  
And I'm getting old.

## HELP

G Bm  
When I was younger, so much younger than today,  
Em C G  
I never needed anybody's help in any way.

Help me get my feet back on the ground  
G  
Won't you please, please help me

And now my life is changed in oh so many ways,  
My independence seems to vanish in the haze.  
And every now and then I feel so insecure,  
I know that I just need you like I've never done before. CHORUS

When I was younger, so much younger than today,  
I never needed anybody's help in any way.  
But now those days are gone, I'm not so self-assured,  
Now I find I've changed my mind, I've opened up the door. CHORUS

GET TOGETHER

D

C

Love is but a song we sing, Fear's the way we die

D

C

You can make the mountains ring, or hear the angels cry

D

C

You know the dove is on the wing, you need not know why

G

A

CHORUS: Come on people now, smile on each other

D

G

A

D

Everybody get together, try to love one another right now

Some will come and some will go, we will surely pass

Until the one that left us here returns for us at last

We are but a moment's sunlight fading in the grass CHORUS

If you hear the song I'm singing, you will understand

You hold the key to love and fear all in your trembling hand

Just one key unlocks them both, it's there at your command

CHORUS (3 times!)

THE OTHER DAY, I MET A BEAR

A

The other day (the other day), I met a bear (I met a bear)

E

A

Out in the woods (out in the woods), a-way out there (a-way out there)

D

E

A

The other day I met a bear, out in the woods a-way out there

He looked at me, I looked at him

He sized up me, I sized up him.

He said to me, you'd better run

I see you ain't got any gun

And so I ran away from there

But right behind me was that bear

Ahead of me, oh glory be

There was a tree, oh lucky me

The nearest branch was ten feet up

I'd have to jump and trust my luck

And so I jumped into the air

But I missed that branch, a-way up there

Now don't you fret, and don't you frown

'Cause I caught that branch on the way back down

That's all there is, there ain't no more

Unless I meet that bear once more

ROCKY MOUNTAIN HIGH

A Bm G E  
He was born in the summer of his 27th year  
A Bm D E  
Coming home to a place he'd never been before  
A Bm G E  
He left yesterday behind him, you might say he was born again  
A Bm D E  
You might say he found a key for every door

When he first came to the mountains his life was far away  
On the road, hanging by a song  
But the string's already broken, and he doesn't really care  
He keeps changing fast, and it don't last for long

D E A  
CHORUS: And the Colorado Rocky Mountain high  
D E A  
I've seen it raining fire in the sky  
D E A D  
The shadow from the starlight is softer than a lullaby  
A Bm D E A Bm D E  
Rocky Mountain High in Colorado, Rocky Mountain High in Colorado

He climbed cathedral mountains, he saw silver clouds below  
He saw everything as far as he could see  
And they say that he got crazy once, and he tried to touch the sun  
And he lost a friend but kept his memory

Now he walks in quiet solitude the forests and the streams  
Seeking grace in every step he takes  
His sight is turned inside himself to try and understand  
The serenity of a clear blue mountain lake

CHORUS: And the Colorado Rocky Mountain High  
I've seen it raining fire in the sky  
You can talk to God and listen to the casual reply  
Rocky Mountain High in Colorado, Rocky Mountain high in Colorado

Now his life is full of wonder but his heart still knows some fear  
Of a simple thing he cannot comprehend  
Why they try to tear the mountains down to bring in a couple more  
More people, more scars upon the land

CHORUS: And the Colorado Rocky Mountain High  
I've seen it raining fire in the sky  
I know he'd be a poorer man if he never saw an eagle fly  
Rocky Mountain High in Colorado, Rocky Mountain High in Colorado

And the Colorado Rocky Mountain High  
I've seen it raining fire in the sky  
Friends around the campfire and everybody's high  
Rocky Mountain High in Colorado, Rocky Mountain High in Colorado

(guitar part)... Go granny, go granny, go granny go  
(guitar part)... Go granny, go granny, go granny go  
She's gotta get a ticket now, sooner or later  
'Cause she can't keep her foot off the accelerator CHORUS

We stick together, we can see it through  
Cause you've got a friend in me  
You've got a friend in me

I'd ring out love between my siblings and my cousins  
a-a-all over this la-a-a-and  
Ooh ooh ooh

If I had a song, I'd sing it in the morning  
I'd sing it in the evening, all over this land

Ooh ooh ooh

Well I've got a hammer, and I've got a bell  
And I've got a song to sing all over this land  
It's the hammer of justice, it's the bell of freedom

D Bm A  
Oh babe, I hate to go.

There's so many times I've let you down, so many times I've played around  
I tell you now they don't mean a thing.  
Every place I go I'll think of you, every song I sing, I'll sing for you  
When I come back, I'll wear your wedding ring. CHORUS

Now the time has come to leave you, one more time let me kiss you  
Close your eyes, I'll be on my way  
Dream about the days to come, when I won't have to leave alone  
About the time, I won't have to say. CHORUS

### AMAZING GRACE

D (Am) D7 (C) G (Dm) D (F) (Am) Bm (C) A A7 (E E7)  
Amazing grace, how sweet the sound that saved a wretch like me  
D (Am) D7 (C) G (Dm) D (F) Bm (Am) D (E E7) A7 G D (Am)  
I once was lost but now I'm found, was blind but now I see

'Twas grace that taught my heart to fear, and grace my fears relieved  
How precious did that grace appear the hour I first believed

Through many dangers, toils and snares I have already come  
'Twas grace that brought me safe thus far, and grace will lead me home

When we've been here ten thousand years, bright shining as the sun  
We've no less days to sing God's praise than when we'd first begun ... REPEAT

### THE ROSE

C G F G C  
Some say love it is a river that drowns the tender reed  
C G F G C  
Some say love it is a razor that leaves your heart to bleed  
Em Am7 F G  
Some say love it is a hunger, an endless aching need  
C G F G C  
I say love it is a flower, and you its only seed

It's the heart afraid of breaking that never learns to dance  
It's the dream afraid of waking that never takes the chance  
It's the one who won't be taken who cannot seem to give  
And the soul afraid of dying that never learns to live

When the night has been too lonely and the road has been too long  
And you think that love is only for the lucky and the strong  
Just remember in the winter far beneath the bitter snows  
Lies the seed that with the sun's love in the spring becomes the rose

### GARDEN SONG

D G D G A D  
Inch by inch, row by row, Gonna make this garden grow,  
G A D Bm Em A7  
All it takes is a rake and a hoe and a piece of fertile ground  
D G D G A D  
Inch by inch, row by row, Someone bless these seeds I sow,  
G A D Bm Em A D  
Someone warm them from below till the rain comes tumbling down

Pullin' weeds and pickin' stones, we are made of dreams and bones,  
Need a place to call my own, 'cause time is near at hand  
Grain for grain, sun and rain, find my way through nature's chain  
Tune my body and my brain to the music from the land

Plant your rows straight and long, temper them with prayer and song,  
Mother Earth will make you strong if you give her love and care  
Old crow watchin' hungrily, from his perch on yonder tree  
In my garden I'm as free as that feathered thief up there

Gather children, from all around, this is where our garden's found  
Side by side we work the ground to help these seedlings grow  
Water them with love and care, trust the promise that we share  
Keep them healthy and prepare for God's first fruit to show.

## BLOWING IN THE WIND

C F C C F c  
How many roads must a man walk down, before you can call him a man?  
C F C F G G7  
Yes and how many seas must a white dove sail, before she sleeps in the sand?

How many times must a man look up, before he can see the sky?  
Yes and how many ears must one man have, before he can hear people cry?  
Yes and how many deaths will it take 'til he knows that too many people have  
died? CHORUS

How many years can a mountain exist, before it is washed to the sea?  
Yes and how many years can some people exist, before they're allowed to be  
free?  
Yes and how many times can a man turn his head, and pretend that he just  
doesn't see? CHORUS

ON THE ROAD AGAIN

G B7  
On the road again. Just can't wait to get on the road again  
Am  
The life I love is making music with my friends,  
C D7 G  
and I can't wait to get on the road again

On the road again. Goin' places that I've never been  
Seein' things that I may never see again,  
And I can't wait to get on the road again

C  
CHORUS: On the road again

G  
Like a band of nomads we go down the highway.

C  
We're the best of friends

G  
Insisting that the world keep turning our way,

And our way is on the road again

B7  
Just can't wait to get on the road again

Am

And I can't wait to get on the road again ...  
(REPEAT CHORUS)

SIXTEEN TONS

Em  
Some people say a man is made out of mud,  
Em  
A poor man's made out of muscle and blood,  
Em A  
Muscle and blood and skin and bones  
B7 Em  
A mind that's weak and a back that's strong.

CHORUS: You load sixteen tons and what do you get  
Another day older and deeper in debt  
Saint Peter don't you call me 'cause I can't go  
I owe my soul to the company store

I was born one mornin' when the sun didn't shine  
I picked up my shovel and I walked to the mine  
I loaded sixteen tons of number nine coal  
And the straw boss hollered "Well a-bless my soul!" CHORUS

I was born one mornin' it was drizzlin' rain  
A-fightin' and trouble are my middle name  
I was raised in a canebrake by an ole mama lion  
Can't no high-toned woman make me walk the line. CHORUS

PARADISE

C F C  
When I was a child my family would travel  
G7 C  
Down to western Kentucky where my parents were born  
C F C  
And there's a backwards old town that's often remembered  
G7 C  
So many times that my memories are worn

CHORUS: And Daddy won't you take me down to Meulenberg County  
Down by the Green River where Paradise lay  
I'm sorry my son but you're too late in asking  
Mr. Peabody's coal train has hauled it away

Well sometimes we'd travel right down the Green River  
To the abandoned old prison down by Adrie Hill  
Where the air smelled like snakes, we'd shoot with our pistols  
But empty pop bottles is all we would kill...CHORUS

Then the coal company came with the world's largest shovel  
And they tortured the timber and stripped all the land  
They dug for their coal 'til the land was forsaken  
Then they wrote it all down as the progress of man...CHORUS

When I die let my ashes flow down the Green River  
Let my soul roll on up to the Rochester Dam  
I'll be half-way to heaven with paradise waiting  
Just five miles away from wherever I am... CHORUS

GOOD RIDDANCE

G C D  
Another turning point; a fork stuck in the road.  
G C D  
Time grabs you by the wrist; directs you where to go.  
Em D C G  
So make the best of this test and don't ask why.  
Em D C G  
It's not a question but a lesson learned in time.

Em G Em G  
CHORUS: It's something unpredictable but in the end it's right.  
Em D G [C D] \*first CHORUS only  
I hope you had the time of your life.

So take the photographs and still frames of your mind  
Hang it on a shelf in good health and good time  
Tattoos of memories and dead skin on trial  
For what it's worth, it was worth all the while CHORUS x2

on a bed Of California stars

I'd like to dream my troubles all away  
on a bed of California stars  
Jump up from my starbed, make another day

The ripe fruits in the garden, God made them every one... CHORUS

God gave us eyes to see them, and lips that we might tell  
How great is God Almighty who has made all things well... CHORUS

Runnin' from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays the guitar, I pick the banjo now  
Oh the north country winters keep gettin' me down  
I lost my money playin' poker so I had to up and leave  
But I ain't turnin' back to live in that old life no more ... CHORUS

Walkin' to the south out of Roanoke  
Caught a trucker out of Philly, had a nice long talk  
But he's headed west to the Cumberland Gap, Johnson city, Tennessee  
I gotta get a move on straight for the sun  
I hear my baby callin' my name and I know she's the only one  
And if I die in Raleigh at least I will die free ... CHORUS

## THE CIRCLE GAME

C F C  
Yesterday a child came out to wonder  
C Am G G7  
Caught a dragonfly inside a jar  
C F Em  
Fearful when the sky was full of thunder  
F C G C  
And tearful at the falling of a star

CHORUS: C G7 C  
And the seasons they go round and round  
G7 C  
And the painted ponies go up and down  
F C  
We're captive on the carousel of time  
F Em F  
We can't return, we can only look behind from where we came  
C G7 C  
And go round and round and round in the circle game

Then the child moved ten times round the seasons  
Skated over ten clear frozen streams  
Words like "when you're older" must appease him  
And promises of someday make his dreams... CHORUS

Sixteen springs and sixteen summers gone now  
Cart wheels turn to car wheels through the town  
And they tell him, take your time, it won't be long now  
Till you drag your feet to slow the circle down... CHORUS

The years spin by and now the child is twenty  
Though his dreams have lost some grandeur coming true  
There'll be new dreams, maybe better dreams and plenty  
Before the last revolving year is through... CHORUS

OCTOPUS' GARDEN

C Am  
I'd like to be under the sea

Am G F  
I'd ask my friends to come and see  
G  
An octopus' garden with me  
C Am F G C  
I'd like to be under the sea in an octopus' garden in the shade

We would be warm below the storm  
In our little hideaway beneath the waves  
Resting our head on the sea bed  
In an octopus' garden near a cave  
We would sing and dance around  
Because we know we can't be found  
I'd like to be under the sea in an octopus' garden in the shade

We would shout and swim about  
The coral that lies beneath the waves  
Oh what a joy for every girl and boy  
Knowing they're happy and they're safe  
We would be happy, you and me  
No one there to tell us what to do  
I'd like to be under the sea in an octopus' garden with you

I'M A BELIEVER!

C G D  
Disappointment haunted all my dreams

Not a trace of doubt in my mind  
C G C  
I'm in love ooooh  
G F D  
I'm a believer I couldn't leave her if I tried

I thought love was more or less a giving thing  
It seems the more I gave the less I got  
What's the use in trying, all you get is pain  
When I needed sunshine I got rain...CHORUS

Love was out to get me, that's the way it seemed  
Disappointment haunted all my dreams...CHORUS

If the sky that we look upon  
Should tumble and fall  
Or the mountains should crumble in the sea,  
I won't cry, I won't cry,  
No, I won't shed a tear  
Just as long as you stand, stand by me ... CHORUS X2

All Thy works with joy surround Thee, earth and heaven reflect Thy rays  
Stars and angels sing around Thee, center of unbroken praise  
Field and forest, vale and mountain, blossoming meadow, flashing sea  
Chanting bird and flowing fountain call us to rejoice in Thee

Thou art giving and forgiving, ever blessing, ever blest  
Wellspring of the joy of living, ocean-depth of happy rest  
Thou the Father, Christ our brother, all who live in love are Thine  
Teach us how to love each other, lift us to the joy divine

We used to go down to Grandma's house ev'ry month end or so

We'd eat chicken pie and country ham 'n homemade butter on the bread,

But the best darn thing about Grandma's house was her great big feather bed

CHORUS: D                    G                    D  
It was nine feet high and six feet wide, soft as a downy chick  
D  
It was made from the feathers of forty'leven geese,

It'd hold eight kids'n four hound dogs and a piggy we'd stole from the shed  
D                    G                    A7                    D  
We didn't get much sleep but we had a lot of fun on Grandma's feather bed

After supper we'd sit around the fire, the old folks'd spit and chew,  
Pa would talk about the farm and the war, Granny'd sing a ballad or two  
I'd sit and listen and watch the fire till the cobwebs filled my head,  
Next thing I'd know I'd wake up in the mornin' in the middle of the old  
feather bed...CHORUS

Well, I love my Ma, I love my Pa, I love Granny and Grandpa too,  
I been fishin with my uncle, I rassled with my cousin, I even kissed Aunt

But if I ever had to make a choice, I guess it ought-a be said  
That I'd trade 'em all plus the gal down the road for Grandma's feather  
bed... CHORUS

For it won't be long, 'Til I'm gonna need  
Somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

(a cappella)

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

Ride their fathers' magic carpet made of steam  
Mothers with their babes asleep,  
Rockin' to the gentle beat  
And the rhythm of the rails is all they dream...CHORUS

Night time on the City of New Orleans  
Changin' cars in Memphis, Tennessee  
Halfway home and we'll be there by mornin'  
Thru the Mississippi darkness rollin' down to the sea  
But all the towns and people seem  
To fade into a bad dream  
And the steel rail still ain't heard the news  
The conductor sings his song again, "The passengers will please refrain"  
This train has got the disappearin' railroad blues..

CHORUS (Goodnight America...)

I, the Lord of snow and rain  
I have borne my peoples pain  
I have wept for love of them. They turn away  
I will break their hearts of stone  
Give them hearts for love alone  
I will speak my word to them. Whom shall I send?      CHORUS

I, the Lord of wind and flame  
I will tend the poor and lame  
I will set a feast for them. My hand will save  
Finest bread I will provide

From California to the New York Island

From the redwood forest to the Gulf Stream waters  
A7                   D  
This land was made for you and me

As I went walking that ribbon of highway  
I saw above me that endless skyway  
I saw below me that golden valley  
This land was made for you and me

I roamed and rambled, and I followed my footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me    CHORUS

When the sun came shining and I was strolling  
With the wheat fields waving and the dust clouds rolling  
As the fog was lifting, a voice was chanting  
This land was made for you and me

As I was walking, I saw a sign there  
And that sign said No Trespassing  
But on the other side it didn't say nothing  
That side was made for you and me    CHORUS

In the square of the city, by the shadow of a steeple  
By the relief office I saw my people  
As they stood there hungry, I stood there asking  
Is this land made for you and me?

Nobody living can ever stop me  
As I go walking my freedom highway  
Nobody living can make me turn back  
This land was made for you and me    CHORUS

SWIMMING TO THE OTHER SIDE

CHORUS:

We are living 'neath the great Big Dipper, we are washed by the very same rain  
C                                      Am                                      D                                      G  
We are swimming in the stream together, some in power and some in pain  
C                                      Am                                      F                                      C  
We can worship this ground we walk on, cherishing the beings that we live beside  
C                                      Am                                      G                                      C  
Loving spirits will live forever, we're all swimming to the other side

I am alone and I am searching, hungry for answers in my time  
I am balanced at the brink of wisdom, I'm impatient to receive a sign  
I move forward with my senses open, imperfection it be my crime  
In humility I will listen, we're all swimming to the other side

CHORUS

On this journey through thoughts and feelings, binding intuition my head my heart

I am gathering the tools together, I'm preparing to do my part  
All of those who have come before me, band together to be my guide  
Loving lessons that I will follow, we're all swimming to the other side

CHORUS

When we get there we'll discover, all of the gifts we've been given to share  
Have been with us since life's beginning, and we never noticed they were there

We can balance at the brink of wisdom, never recognizing that we've arrived  
Loving spirits will live forever, we're all swimming to the other side

CHORUS

BREAKFAST AT TIFFANY'S

D            G            A            D  
You'll say, we've got nothing in common,  
          G            A            D  
No common ground to start from,  
          G            A            D  
And we're falling apart,

You'll say, the world has come between us,  
Our lives have come between us,  
Still I know you just don't care.

                  CHORUS:            D                            A                            G  
  And I said, "What about 'Breakfast at Tiffany's?'"  
  She said, "I think I remember the film,  
  And as I recall, I think, we both kind of liked it."  
  And I said, "Well that's, the one thing we've got."

I see you, the only one who knew me, and now your eyes see through me,  
I guess I was wrong,  
So what now? It's plain to see we're over,  
And I hate when things are over,  
When so much is left undone. CHORUS

You'll say that we've got nothing in common, No common ground to start from,  
And we're falling apart,  
You'll say the world has come between us, Our lives have come between us,  
Still I know you just don't care. CHORUS

HOME GROWN TOMATOES

A

Well there ain't nothin' in the world that I like better

D

Than bacon and lettuce and homegrown tomatoes

E7

Up in the morning out in the garden

A (G.P.)

Get you a ripe one, do not get a hard 'un

A

Plant 'em in the springtime, eat 'em in the summer

D

All winter without 'em's a culinary bummer

E7

I forget all about the sweatin' an' diggin'

A (G.P.)

E7

Every time I go out and pick me a big 'un

CHORUS

A

Homegrown tomatoes, homegrown tomatoes,

D

What'd life be without homegrown tomatoes?

E7

Only two things that money can't buy:

A (G.P.)

E7 (G.P.)

That's true love and homegrown tomatoes.

A

You can go out to eat, that's for sure

D

But there's nothin' a home grown tomato won't cure

E7

Put 'em in a salad, put 'em in a stew

A (G.P.)

Make your own, your very own tomato juice

A

You can eat 'em with eggs, you can eat 'em with gravy

D

You can eat 'em with beans, pinto or navy

E7

Put 'em on the side, put 'em in the middle

A (G.P.)

E7

Put a home grown tomato on a hot cake griddle

CHORUS

A

Now, if I had to trade this life I lead

D

I'd be Johnny Tomatoseed

E7

'Cause I know what this country needs

A

E

It's home grown tomatoes in every yard you see.

A

But when I die don't bury me

D

In a box in a cold dark cemetery

E7

Out in the garden would be much better

A (G.P.)

E7

And I'da be a pushin' up the home grown tomatoes.

English Translation:

I look up when I walk / So the tears won't fall / Remembering those happy spring days  
But tonight I'm all alone  
I look up when I walk / Counting the stars with tearful eyes / Remembering those happy summer days  
But tonight I'm all alone  
Happiness lies beyond the clouds / Happiness lies above the sky  
I look up when I walk / So the tears won't fall / Though my heart is filled with sorrow  
For tonight I'm all alone  
Remembering those happy autumn days / But tonight I'm all alone Sadness hides in the shadow of the stars  
Sadness lurks in the shadow of the moon  
I look up when I walk / So the tears won't fall  
Though my heart is filled with sorrow  
For tonight I'm all alone

Our Father, who art in heaven,

hallowed be thy Name,

thy kingdom come,

thy will be done,

on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses,

as we forgive those who

trespass against us.

And lead us not into temptation

but deliver us from evil.

For thine is the kingdom,

and the power, and the glory, for ever and ever.

Amen.

At the breaking of the bread

People: Therefore let us keep the feast. Alleluia

After Communion

The Chaplain and people say together

Eternal God, heavenly Father,

You have graciously accepted us as living members of your Son,

our Savior Jesus Christ,

and you have fed us with spiritual food in the Sacrament of his Body and Blood. Send us now into the world in peace, and grant us strength and courage to love and serve you with gladness and singleness of heart; through Christ our Lord.

Amen
